With respect to the February 2004 Monthly Statement of Deposit Account No. 03-1800. Please investigate the following item as to proper charges:

Page 2

Control No. 2 for date posted 02/17/04 – Serial No.10/010614. There is a charge for \$110.00 for the payment of an extension for response within first month. Our department had received a Notice of Non-Compliant Amendment dated January 12, 2004 and we had responded on February 12, 2004. PLEASE ISSUE A CREDIT IN THE AMOUNT OF \$110.00.

Would you please determine whether these charges have been made in error and if so, issue a debit to our account. I will await your reply. Thank you.
